8. Entry fees cannot be returned.
9. All entries must be the unaided work of the competitor and must be assembled at the Showground, except where otherwise stated in the Schedule. Many techniques, whether contemporary or traditional, require a great deal of time to complete. Pre-done work of this type is acceptable in any class, unless specifically excluded by the Show Schedule. Only one person may make each entry and must not receive any help from another person. If drapes are used they must be supported by stands provided by exhibitors. No extra skirting will be allowed over the side of tabling. Engraving of winner's names has been discontinued and exhibitors are forbidden to have any cup or trophy engraved. It is regretted that anyone who ignores this ruling will be fined a substantial sum for each cup or trophy to cover the cost of restitution.
14. Public liability insurance is designed to help protect you if a claim is made against you by a third party, e.g. if something happens involving you that results in injury to a friend, a member of the public or damage to someone's property. This applies to all Shows and Events, not just the Nottinghamshire County Show. The Newark and Nottinghamshire Agricultural Society carries its own public liability insurance with a limit of £10m for protection against claims as part of this Show and at the Showground as a whole. However, we recommend that exhibitors also have their own insurance.
