Classes

The Newark and Nottinghamshire Agricultural Society reserves the right to split or amalgamate classes once entries have closed and based on the numbers entered. Exhibitors will be notified before the show.

Concussion

Concussion is a condition that is not always obvious. It can have very serious aftereffects. Following the fall of a rider or head injury to a handler inside or outside of the ring, the advice of a Show appointed paramedic or doctor must be sought and followed. Medical advice must be obtained before a rider may ride again or handler compete. If concussion is suspected, a rider must not ride, or handler compete again that day and they should be taken immediately to A&E or a doctor.

This advice must be relayed to the competitor and/or a parent/guardian/friend/supporter and care must be taken to make sure they understand the seriousness of the injury.

Later, medical assistance must be sought immediately if there are any of the warning signs which can occur, such as are deterioration of consciousness, restlessness/irritability, vomiting, a persistent or worsening headache.

Identification

Pigs moving to shows must comply with the identification requirements in Articles 7 & 9 of the Pigs (Records, Identification and Movement) Order 2011 ('PRIMO 2011').

Welfare

No person shall cause or permit the transportation of an animal that is unfit by reason of it being in a state of being new born, diseased, infirm, ill, injured or fatigued or having given birth within the preceding 7 days, or likely to farrow during transit, or for any other reason, in compliance with the Welfare of Animals Transport Order 1997, or any other legislation which is in force at the time of this event.

Vet Boxes

Vet boxes will be located close to each section and should be used for animals that are injured or showing signs of illness and disease.

Livestock Exhibitors Disease Control Obligations

The health of all animals and people present during the Nottinghamshire County Show is of paramount importance to the organisers. As such, we would like to remind livestock exhibitors of their responsibilities with respect to the health of their animals. Only fit and healthy animals should be transported to the Show. Any clinical signs of disease, however mild, detected on farm must result in the affected animal(s) remaining at home and not travelling to the Show. This is the foundation on which high levels of Biosecurity can be built on at Newark Showground.

Once on the Showground, if any animals develop any signs of illness, one of the Show Veterinarians should be alerted immediately.

If we all ensure only healthy animals arrive at the Nottinghamshire County Show and if any animal becomes sick at the Show, prompt veterinary care must be sought to minimise the risk of:

- A Notifiable Disease Outbreak
- Zoonotic Infections passing from livestock to people.
- Endemic Veterinary Diseases spreading between pens/stalls.

Thank you for your cooperation and understanding.

2. A condition of entering the competition is that prize winners at preliminary rounds must intend to exhibit at the Final. All POY pigs MUST be on site by 8pm on the Monday before the show starts. Any pig not forward will need to review by a panel of three individuals, and monetary fine may be applied should the panel not feel the reason justified. £25 first offence, increasing for repeat offences or withdrawals. This could lead to a ban from the competition.
3. The award is open to all breeds of pedigree pigs entered in your show. The object is to determine the best modern and traditional breed pigs as an example of their respective breeds.
4. All animals entered in this Competition must be the property of a member of the British Pig Association or the British Lop Society and must be registered in a herd book of The British Pig Association or the British Lop Pig Society.

9. Where a single breed has more than one class covering the required age group for either sex, so permitting more than one 1st prize animal, the judge must nominate one of these for the qualifying round.
10. Where there are multi-breed classes, i.e. any other modern/any other traditional breed or a similar classification, the judge must nominate the best male and best female of the qualifying age of each breed represented (regardless of class prizes). These pigs will compete in the qualifying round with eligible entries from individual breed classes

Diseased Animals

24. Animals suspected of, or suffering from disease

Every exhibitor shall indemnify the Society against all actions, claims, proceedings and demands by any person, company or other representative body of whatsoever nature in respect of any matter, directly or indirectly connected with the bringing onto the Society's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and, in addition, the exhibitor shall pay all costs and expenses incurred by the Society in connection with any such claim. The Society's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or have removed from, the Showground any animals affected with contagious or infectious disease. The exhibitor of such animal may obtain a certificate from the Veterinary Officer, stating the nature of such disease or infection. The onus of proving the freedom of any such animal from contagious or infectious disease shall rest on the exhibitor of the animal concerned.

Awards

25. Prizes

Prizes will be awarded on the scales shown at the beginning of each entry section.

26. Rosettes

No animal will be allowed to wear a rosette or ribbon other than those issued by the Society. No rosette or ribbon may be displayed during judging which has been awarded in a previous class.

27. Conditional awards

In all cases where prizes are offered or awarded conditionally, they will be withheld until the exhibitor shall have proved to the satisfaction of the Council that the conditions have been complied with.

28. Protests

Any Exhibitor wishing to lodge a protest having reference to livestock or horses exhibited at the Show must make the same in writing to the Society Office and must deposit a sum of £50. All protests must be delivered at the Society Office on the Showground before 3pm on the day on which the protest shall have been made, or in the case of an award judged later than that time, then within one hour of the completion of the judging of that section, and no protest will be accepted subsequently unless a satisfactory reason be assigned for the delay. Protests will be considered by the Chief Steward of the Section concerned in consultation with the section stewards. If the Chief Steward is unable to resolve the protest, then he/she will refer the matter to the Society's Appeals Committee. The decision of the Appeals Committee shall be final and if the protest is not substantiated then the deposit will be forfeited. The animal, to which the protest refers, must remain on the Showground until permission to leave has been obtained from the Show Office in writing. The Society reserves the right to refer any objection to any authority or organization to adjudicate, wholly or in part, in respect of an objection, on behalf of the Society.

29. Alteration of awards

In case of any protest made in accordance with Regulation 28 whereby any prize animal becomes disqualified, the winner of the next succeeding prize in that class shall take the prize that had been awarded to the disqualified animal. This applies to all prizes awarded.

30. Payment of prize money

Prize money can only be paid by bank transfer following the Show. Bank details are required (on entry forms) for any monies to be paid out.

31. Challenge trophies

Cups and Trophies awarded at the Show may be collected from the Judges & Stewards Office on the day of the Show and will be given out on production of a 'Trophy Collection Card'. Winners of trophies must give the Society a written guarantee to return the cup in good condition, at their own expense by recorded delivery, to the Showground not less than six weeks prior to the next Show and that, in the event of loss, the amount of its value be made good to the Society by the holder. Any exhibitor who ignores this ruling will be charged a sum sufficient to the value of the trophy plus an admin charge and the cost of any engraving. The Society will not be held responsible for any failure on the part of donors, or others, to produce Cups or Special Prizes offered for competition in the Schedule or Catalogue, nor will the Society accept any liability in respect of the description of Trophies and Special Prizes as printed in the Schedule and Catalogue. The Society reserves the right to prevent any cup or trophy from leaving the Society's premises. Prize winners must insure their cup or trophy whilst in their possession.

Judging

32. Judges

The Judges are instructed to withhold prizes where the entry is not of sufficient merit and, in awarding prizes, the Judges are instructed to make their awards according to the relative merits of the exhibits for breeding purposes in breed classes. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. All exhibitors and their agents acting in opposition to this regulation shall forfeit such prize as may be awarded to their exhibit.

33. Substitution of judges

The Society reserves the right to substitute other Judges for those announced in the Prize Schedule or to make other appointments.

34. Change of judge

Should an exhibit be forward for competition which was either bred, or previously owned by the officiating Judge, then a referee may be introduced at the request of the Chief Steward of the Section. The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his/her stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him/her until he arrives in the ring. If there is an unforeseen change of judge, then the exhibitor should stand down from the class and entry fees will be refunded. Every effort will be made to inform exhibitors of a change of judge.

35. Parades and judging

Any exhibitor or employee refusing to bring their exhibits on parade at a specified time when requested by the Stewards to do so, shall be liable to forfeit to the Society any prize money previously awarded to the exhibits in question. All employees in charge of stock which is to be paraded must have their exhibits ready for such parade thirty minutes prior to the times of parades as laid down in the official timetable. White coats or Breed Society uniform must be worn in the Breed Judging ring and the Grand Parade. Cattle exhibitors should note that bulls should always have two handlers.

This means the animal should be healthy enough to tolerate the entire journey it is about to make (including loading, unloading and any journey breaks) with no or very little adverse effect on it and the journey should not cause the animal any suffering or injury. The means of transport must be designed, constructed, maintained and operated so as to avoid injury and suffering and ensure the safety of the animals. A journey includes the period from the loading of the first animal to the unloading of the last animal. Any animal entered in the Show that is not fit to travel should be left at the holding premises. The transport of pregnant animals for whom 90% or more of the expected gestation period has already passed, or who have given birth in the previous week is prohibited. [Council Regulation (EC) 1/2005, implemented by The Welfare of Animals (Transport)(England) Order 2006].

44. Banned substances

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.

45. Stalling of exhibits

Exhibitors and their employees must see that their exhibits are stalled or penned in the allotted place for them in accordance with their exhibit numbers, and no person shall remove or otherwise deface any notice or exhibit number placed by the Society of its Officers on the stalls or pens, nor shall any exhibit be stalled or penned in the place allotted to another exhibit and no person shall utilise a vacant stall or pen without the consent of the Steward or Chief Steward.

47. Straw

A limited amount of straw is provided in the livestock lines. Extra bales are available to purchase at £4 each.

48. Rugs and sheets

Except by special permission of the Steward of the section, no rug or sheet shall be hung up so as to conceal any animal in a horsebox, stall or pen. All sheets used for this purpose must be removed before the opening of the Show to the general public and must not be replaced until after the closing of the Show.

49. Publicity

Exhibitors are allowed to promote their herd/flock with the use of signs which may not exceed 3' wide by 2' high per stall or pen. No promotional material may be placed in the gangways. In the event of cancellation or termination pursuant to clause above, this Agreement shall determine automatically, and the Society shall repay to the Exhibitor all, charges and fees already paid under this Agreement (if the Show is cancelled before its commencement) or a rateable proportion of such charges and fees (if the Show is terminated after its commencement) but otherwise shall be under no liability to the Exhibitor or its sub-licensees for any loss which they may sustain in consequence of any such determination and the Exhibitor shall in the event of determination be under no liability to the Society in respect of its future obligations under this agreement (but without prejudice to any rights of either party against the other in respect of any claim accrued under this Agreement down to the date of such determination).

55. Penalties

Any infringement of any of the Regulations or Conditions printed in this Schedule will result in the exhibitor forfeiting any prize to

which he/she may be entitled in addition to the consequences attaching to the infringement and the Society reserves the right to inform other Agricultural Societies and bodies of any decision it may come to regarding an exhibitor.
