- The gate will close at 9:00pm on Friday 9th May and re-open at 6:00am on Saturday 10th May.

Parking

On arrival, all vehicles transporting horses will be met by a designated steward and advised where to park. Due to limited parking space, support vehicles will not be permitted to park in the Horse parking area and will be directed to the public car parks.

Vehicle Pass Allocation

Exhibitors will be issued with one vehicle pass. Please display passes visibly in windscreen before arriving at the Showground. Exhibitors requiring more than one vehicle pass should email their request to the Show Office with an explanation why an extra pass is needed before the close of entries.

Classes

The Newark and Nottinghamshire Agricultural Society reserves the right to split or amalgamate classes once entries have closed and based on the numbers entered. Exhibitors will be notified before the show.

Protective Headgear

Any person riding a horse or pony, whether as a **competitor** or **judge**, anywhere on the showground must wear a hard hat of a standard approved by their appropriate governing body. Those failing to abide by this rule will face disqualification.

Head gear must be worn with the chin strap correctly and securely fastened at all times, this includes Side Saddle classes.

Owners / handlers

All horses and ponies MUST have a competent person in charge and must stay in the horsebox parking area, horse walks, collecting rings or rings unless otherwise instructed.

Dress code

All exhibitors, grooms and handlers appearing with animals in the judging rings must be of smart appearance and in proper dress code (not jeans), with appropriate headgear.

Conduct

Once an exhibitor or handler has entered the judging ring with their exhibit, they may not leave the ring with the exhibit before the completion of judging of the class except with the permission of the judge or steward. Any exhibitor or handler contravening this rule will be disqualified from competing.

Fall of horse, pony or rider

Fall of a horse, pony or rider during any class will result in elimination. The rider must not remount in the ring and must be seen by a medically qualified attendant before remounting.

Concussion

Concussion is a condition that is not always obvious. It can have very serious aftereffects. Following the fall of a rider or head injury to a handler inside or outside of the ring, the advice of a Show appointed paramedic or doctor must be sought and followed. Medical advice must be obtained before a rider may ride again or handler compete. If concussion is suspected, a rider must not ride, or handler compete again that day and they should be taken immediately to A&E or a doctor.

This advice must be relayed to the competitor and/or a parent/guardian/friend/supporter and care must be taken to make sure they understand the seriousness of the injury.

Later, medical assistance must be sought immediately if there are any of the warning signs which can occur, such as are deterioration of consciousness, restlessness/irritability, vomiting, a persistent or worsening headache.

Suitably Mounted

All animals ridden anywhere on the Showground, rings, or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern.

Hire/lease

A horse or pony leased for the season will be considered to be the property of the person to whom it is leased only if the lease has been registered with the appropriate authority.

Stud book

Every horse entered for competition in the breeding classes shall be entered for, or eligible for entry in the Stud Book of its breed in the United Kingdom.

Age

It is only necessary to state the year of birth in respect of horses except that of foals where details are listed below.

Foals

The exact date of birth of foals must be stated on the entry form. No foal under the age of THREE WEEKS will be allowed on the Showground. **Foals must be shown with their Dam.**

Horse Walks

Horse walks are in operation. All horses and ponies, ridden and in-hand MUST keep within these designated routes, and exhibitors, competitors and grooms must comply with any instructions from Officials, Stewards or signage around the Showground.

Working in Areas

Working in areas are provided for exercise. No lunging is allowed on the Showground. The use of any of the Judging Rings, Collecting Rings or any other prohibited area of the Showground for exercising animals is strictly forbidden and all instructions from Stewards or other Society representatives must be observed. Failure to comply may result in automatic disqualification.

Equine Passports

All exhibitors are expected to comply with Horse Passport legislation and bring the appropriate documentation with them to the Show and to be responsible for the documentation at all times.

Equine Influenza 2025 (Updated 03.02.25)

- An initial primary course of two vaccinations must be given: the second vaccination must be administered within 21- 60 days of the first initial vaccination.
- Horses may attend events 7 full days after receiving the second vaccination of the primary course. (for clarity: no horse or pony may compete on the same day as a relevant injection is given or on any of the 6 days following such an injection)
- A third booster must be administered within 150 – 180 days of the administration of the second vaccination of the primary course.
- Following booster vaccinations must be administered at a maximum of 12 months intervals.

Random checks will be carried out on the showground during the show by the Society's official Vet.

Health of Horses & Ponies

We urge all owners and their representatives to adhere to strict biosecurity both at the show and once they return home.

In all classes animals must be practically sound. No veterinary inspection will be required except where it may be considered necessary by the Judges. The owner of an animal rejected for unsoundness may be given a copy of the Veterinary Inspector's Certificate, and if desired may remove the animal from the Showground. The Society will not be liable for any cost ensuing from rejection on any such grounds.

Vet Boxes

Vet boxes will be located close to each section and should be used for animals that are injured or showing signs of illness and disease.

PRIVATE DRIVING – Main Ring. Not before 9:30am, to follow on after the Ridden Hunter Championship

Judge: Mr N Fuller, Rawreth

Conditions:

Horse or pony, 4 years old or over, driven to a traditional or traditional type vehicle. A traditional vehicle means a vehicle of traditional profile and identifiable type to resemble the design of a carriage built prior to the First World War. The vehicle may be made from modern materials but must have traditional style springing and carriage lamps. Pneumatic tyred vehicles, trade turnouts and show wagons are not eligible.

The driver must be aged 8 years or over on the first day of the show at which they are to compete. A driver under the age of 18 must be accompanied in the vehicle by a competent and responsible person aged 18 years or over, a "responsible adult". Proof of age will be required if necessary. It is the responsibility of the owner/driver (if over 18) or (if the owner/driver is under 18) the responsible adult to ensure that his/her groom is/are competent for the purpose of attending to the turnout and aged 8 or over on the day of the show. When in the vehicle grooms, passenger/s and driver must have their feet firmly on the floor of the vehicle or use a suitable fixed footrest. This regulation applies at all times and in all areas on the showground.

All drivers/grooms/passengers under the age of 14 must wear a hard hat. We recommend a correctly secured skull cap/riding hat that meets one of the current BSI standards should be worn when in a carriage or in attendance to the turnout.

Qualifiers:

This is a Victoria Extravaganza Carriage Driving Championship qualifier. The Champion will qualify for the grand final to be held on Sunday 14th September 2025 at Bury Farm Equestrian Club, New Bury Farm, Mill Road, Slapton, Bicks. LU7 9BT. In the event that the champion has already qualified then the reserve champion is to qualify. If the reserve champion has also qualified, the rosette is to be awarded back to the Champion. Once qualified, the horse, whip and vehicle may not be changed.

Class: 201 **Private Driving Horse or Pony** - Single pair or tandem over 13.2hh
Class: 202 **Private Driving Pony** - Single pair or tandem 13.2hh and under
Class: s203 **Championship** - To be competed for by the 1st & 2nd prize winners.
The British Driving Society will offer Champion, Reserve and Best Young Driver Rosettes
Champion & Reserve will be awarded an NNAS Rosette.

PRIVATE DRIVING - CONCOURS D'ELEGANCE

Judge: The Presidents Guest

Conditions:

All turnouts which have been separately entered in the Private Driving classes are eligible to compete. The Private Driving Concours d'Elegance will run concurrently with Classes 201 and 202. Open to singles, pairs, multiples, 4 years old or over, to a traditional type of vehicle. The essence of the class is the word 'elegance' and the winner will be the turnout, which, in the opinion of the Judge, presents the most elegant effect. To include vehicle, horse, driver, passenger etc. but above all the general impression. Attention may be paid to drivers/passengers' personal costume, but fancy dress or period costume is definitely barred. The whole object of the class is to establish which turnout presents the most pleasing picture and normal judging criteria does not apply. It is judged from a distance and vehicles are NOT closely inspected. To be driven at park pace.

Class: s204 **From Class 201**
Class: s205 **From Class 202**

NNAS NOVICE HORSE CLASS – Ring 1, Not before 12pm.

Judge: Mrs S Curtis

Conditions:

These classes are not affiliated and open to anyone. Turnout is to be appropriate for the horse's relevant classification. Horses will not be ridden by the judge but will be required to give a short individual show at walk, trot, and canter or a set show lasting approximately 2 minutes. Change of rein, trot and canter must be shown.

Class: 206 **The Newark & Nottinghamshire Agricultural Society Novice Horse** - Mare or gelding 4 years old and over exceeding 148cm. Rider to be 17 years old and over on the day of the show. A novice is a horse or that has not won a first prize before the 1st January in the current year. The spirit of this class is for genuine novice ridden horses and ponies, not those who have campaigned previously.

RIDDEN HUNTER - Main Ring, 8am.

Ride Judge: Miss F Ludlow, Grantham

Conformation Judge: Mr N Fuller, Rawreth

Conditions:

This Show is affiliated to Sport Horse Breeding of Great Britain and classes in this section will be judged in accordance with the current SHB (GB) rules. A copy of the SHB (GB) rules can be obtained from them on request.

Qualifiers:

- ROYAL INTERNATIONAL HORSE SHOW CLASSES – Classes 207 - 210

These classes are qualifiers for The Agria Royal International Horse Show. The two highest placed horses will qualify, no horse lower than 2nd will qualify. In working hunter classes the two highest placed horses from each class will go through to the Working Hunter Championship and all these four horses will qualify for RIHS if they have not already done so. RIHS Qualification will not pass down the line beyond the aforementioned placings. In the Working Hunter Championship, Judges must place all horses to determine qualification.

Only horses registered with SHB (GB) and who are also registered on the current year's Show Hunter Register are eligible to enter in Qualifying Classes for RIHS Ridden and Working Hunter Championships and the Show Hunter Registration Number must be quoted on entries. Any horse that is entered for a Qualifying Class without first being on the Show Hunter Register cannot subsequently be registered and therefore will not be eligible for entry in that class on the day and will be disqualified if forward.

DAY TICKETS - Competitors may compete on a day ticket and may have a maximum of two Day Tickets per season. Each day ticket is valid for the entirety of the show (this covers all SHB(GB) Classes that require a membership and registration) and it covers owner and rider membership together with horse registration/over-stamp for that show. As a qualifying class for RIHS in order for the qualification to be valid, application for full owner/rider membership and horse registration/ over-stamp must be received in the SHB(GB) office within 14 days.

- 1st, 2nd and 3rd in each class to qualify for UK Ponies & Horses Open Hunter Gold Medal Series to take place at the UKPH Spring Classic 2026. Qualification cards will not be given out in the ring, however results can be verified by the office. Membership of the UKPH is not required to compete in Gold Medal classes.
- This National Welsh Part Bred Ridden Championships - Two highest placed Welsh Part Bred exhibits in top four (not already qualified) qualify. Unregistered qualifiers with 12.5% Welsh blood may retrospectively register with WPCS prior to entry.

Class: 207 **RIHS Small Hunter** - Mare or gelding, four years old and over, exceeding 148cms but not exceeding 158cms. Society's Showground of any animal which may have been suffering from any contagious or infectious disease or which develops such a disease whilst on the Showground and, in addition, the exhibitor shall pay all costs and expenses incurred by the Society in connection with any such claim. The Society's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or have removed from, the Showground any animals affected with contagious or infectious disease. The exhibitor of such animal may obtain a certificate from the Veterinary Officer, stating the nature of such disease or infection. Prizes will be awarded on the scales shown at the beginning of each entry section.

26. Rosettes

No animal will be allowed to wear a rosette or ribbon other than those issued by the Society. No rosette or ribbon may be displayed during judging which has been awarded in a previous class.

28. Protests

Any Exhibitor wishing to lodge a protest having reference to livestock or horses exhibited at the Show must make the same in writing to the Society Office and must deposit a sum of £50. All protests must be delivered at the Society Office on the Showground before 3pm on the day on which the protest shall have been made, or in the case of an award judged later than that time, then within one hour of the completion of the judging of that section, and no protest will be accepted subsequently unless a satisfactory reason be assigned for the delay. Protests will be considered by the Chief Steward of the Section concerned in consultation with the section stewards. If the Chief Steward is unable to resolve the protest, then he/she will refer the matter to the Society's Appeals Committee. The decision of the Appeals Committee shall be final and if the protest is not substantiated then the deposit will be forfeited. The animal, to which the protest refers, must remain on the Showground until permission to leave has been obtained from the Show Office in writing. The Society reserves the right to refer any objection to any authority or organization to adjudicate, wholly or in part, in respect of an objection, on behalf of the Society.

Any exhibitor who ignores this ruling will be charged a sum sufficient to the value of the trophy plus an admin charge and the cost of any engraving. The Society will not be held responsible for any failure on the part of donors, or others, to produce Cups or Special Prizes offered for competition in the Schedule or Catalogue, nor will the Society accept any liability in respect of the description of Trophies and Special Prizes as printed in the Schedule and Catalogue. Judging

32. Judges

The Judges are instructed to withhold prizes where the entry is not of sufficient merit and, in awarding prizes, the Judges are instructed to make their awards according to the relative merits of the exhibits for breeding purposes in breed classes. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. All exhibitors and their agents acting in opposition to this regulation shall forfeit such prize as may be awarded to their exhibit.

33. Substitution of judges

The Society reserves the right to substitute other Judges for those announced in the Prize Schedule or to make other appointments.

The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his/her stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him/her until he arrives

in the ring. If there is an unforeseen change of judge, then the exhibitor should stand down from the class and entry fees will be refunded. Every effort will be made to inform exhibitors of a change of judge.

35. Parades and judging

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.
