Forewords

On behalf of the Show Team and Society, we are looking forward to welcoming all competitors, exhibitors and visitors to the Nottinghamshire County Show on Saturday, 10th May.

We are delighted that we have increased entries across almost all sections despite the many challenges faced. We have more trade stands, a packed programme in the Countryside Area and the Main Ring, including the popular Young Farmer Clubs lawnmower racing, with much more happening across the Showground. We are also hosting the final of the Rare Breeds Survival Trust 'Young Shepherd of the Year' competition.

Make sure you don't miss our VE Parade and our tribute to the 80th Anniversary of VE Day.

To all of you, thank you for your support and I wish you an enjoyable day.

Des Allen
Show Chairman

I am privileged and delighted to serve as the Society's President this year, alongside my wife, Susan, and to show our support to British farming and the rural and agricultural community.

The Nottinghamshire County Show is a key part of the Newark & Notts Agricultural Society, an organisation with a long-standing commitment to promoting and supporting agriculture. One of the Society's main objectives is to educate visitors of all ages about the importance of farming, food production, and rural life, with a variety of workshops, activities and demonstrations offering something for everyone to enjoy and learn from.

Equally important is the opportunity it provides for exhibitors. It is a valuable facility where farmers and breeders can proudly showcase their livestock and equine entries, compete in a range of classes, and hopefully take home first prize. The Show offers a fantastic platform to highlight the vital role that agriculture and the rural community play in all our lives and to demonstrate why food security is so crucial.

I am also looking forward to visiting the ever-popular Community Zone, where many groups will come together in the George Stephenson Exhibition Hall.

And we welcome the many trade stands and other exhibitors who support the day.

As well as its very professional organising team, the Show relies on the many dedicated volunteers, including the Show Committee, Judges and Stewards and the presence of the Police, Newark Community First Aid and many others who support the Show and enable it to happen, and to whom we owe our thanks.

I look forward to meeting everyone at the Show and celebrating our county's rich agricultural and rural heritage.
