

10TH MAY 2026

SPONSORSHIP

The Newark & Nottinghamshire Agricultural Society is a registered charity dedicated to promoting and championing agriculture across the Midlands region. As part of our charitable remit, we proudly organise three agricultural shows including the Nottinghamshire County Show, The Newark Vintage Tractor & Heritage and the Midlands Machinery Show. We partner with organisations like the NFU, CLA, Nottingham Trent University to share knowledge, best practice and industry information and as owner of the Newark Showground, are pleased to host over 500 events and conferences per year.

As a charitable Society, we recognise and award grants to students and apprentices in the agricultural industry, offer a platform for businesses large and small to exhibit and showcase the skills and passions of livestock, equine, agricultural, food and rural craft sectors with the support of our volunteer stewards. We pride ourselves on working closely with the local community and value their involvement which enables us to put on three important shows. More about the Society can be viewed on our new website here: newarkandnotts.com

The Nottinghamshire County Show celebrates the best of Nottinghamshire and our 2025 show welcomed over 16,000 people to the Newark Showground.

The event showcases everything from livestock, equine, countryside competitions, acts & displays with trade stands, machinery and local producers.

With thanks to our 2025 sponsors...
